PRICE TEN CENTS

A BLOWN TIRE wrecked this camper truck in which four Hawaiian teachers were touring the United States as it headed for Chicago on I-94 between Marshall and Battle Creek. One of the teachers, Miss Veronica Punzel, 23, of Kapa Hui, Hawaii, died in the crushed camper body. Righted pick-up truck stands at left rear as curious on-lookers survey the wreckage. (AP Wirephoto)

LBJ's Red Trade Program Rejected

WASHINGTON (AP) — The Senate, dealing a sharp blow to President Johnson's bid for expanding U.S.-Communist bloc trade, has voted to ban use of Export-Import Bank financing for a Soviet auto plant.

Voice vote adoption of this ban Friday along with earlier acceptance of another prohibiting Export-Import Bank financing of exports to countries which trade with North Vietnam

represented stiff personal setbacks for the President. Johnson, in a speech last year, specifically endorsed Export-Import Bank financing for purchase by Italy's Fiat Motor Co. of \$50 million in American machine tools to be used in a plant Fiat will build in the Soviet Union.

A long-time Republican foe of Johnson's proposals to increase East-West trade hailed Friday's

action as sounding the death knell for such an expansion. May Shorten War And, added Sen. Karl E. Mundt of South Dakota, sponsor of the ban: "It is likely to shorten the war in Vietnam."

After adopting Mundt's amendment, the Senate passed by voice vote the bill extending the life of the Export-Import Bank for five years.

That action sent the measure to the House, where Democratic leaders have predicted it will encounter further difficulties.

Sponsors said it was unlikely the House would begin debating the bill until after the 10-day Labor Day recess.

In addition to extending the bank's life to June 30, 1973, the bill would increase the ceiling on its loans, guarantees and insurance permitted to be outstanding at any one time from \$9 to \$13.5 billion. It also would boost the bank's authority to issue export credit insurance and guarantees from \$2 to \$3.5 billion.

The Senate Banking Committee also wrote into it two provisions designed to dampen some of the controversy that the legislation had aroused before it ever reached the Senate floor.

One of these would ban any bank financing of sales of U.S. arms to poor nations. The other would prohibit bank financing of sales of American equipment to Communist nations, either directly or through a third party.

Both these limitations, however, contained an out for the President. He was given power to permit such transactions if he found them in the national interest.

U.S. Policing Of Viet Vote 'Out'

WASHINGTON (AP) — The Saigon government had clear notice today that Congress is not going to take any hand in policing South Vietnam's September elections.

Sen. Robert F. Kennedy, D-N.Y., joined the Senate's Democratic and Republican leaders in quickly rejecting Friday an official invitation to send congressional poll watchers.

Thus were dashed the hopes of Nguyen Van Thieu's military government of quieting critics—which Kennedy helped fuel in the Senate Friday—that the present regime is rigging the election of a president and other officials.

Thieu, Saigon chief of state, is the government's presidential candidate on a ticket including Premier Nguyen Cao Ky for vice president.

Senate Democratic Leader Mike Mansfield and Republican Leader Everett M. Dirksen rejected immediately a proposal forwarded to Secretary of State Dean Rusk by South Vietnamese Ambassador Bui Diem that Congress send a delegation to observe the balloting.

Mansfield said the guarantee of fair elections was South Vietnam's business and not that of Congress, Dirksen said it ob-

servers were sent. Congress would be open to charges by the election losers that it rigged the balloting.

In a separate interview, Kennedy said sending observers was no answer "to the mounting

Campaign

SAIGON (AP)—South Vietnamese civilian presidential candidates said today they would resume their campaign trips to the provinces, but informants said they would demand guaranteed crowds to hear their speeches.

evidence that the forthcoming elections in South Vietnam already may have become fraudulent.

"The United States already has in South Vietnam excellent diplomatic and military representatives as well as a large and responsible press corps," he said. "They can—as they have already—report on the campaign and election fully and fairly."

Jobs For Negroes

GRAND RAPIDS (AP)—Programs aimed at providing more jobs for Negroes will be discussed at a meeting of the chamber of commerce and employers in the Grand Rapids area. No date has been announced.

Nuclear Arms Curb Outlook Is Promising

Senate Starts Full Inquiry Into Rioting

WASHINGTON (AP) — Sen. John L. McClellan says he'll begin immediately to carry out a Senate mandate for a full-scale investigation of Negro rioting across the land.

The Senate adopted a resolution Friday night assigning the probe to its permanent investigations subcommittee, a nine-member unit headed by McClellan, an Arkansas Democrat and veteran of numerous previous Senate crime probes.

After nearly three hours of debate, however, the Senate rejected 36 to 26 an amendment to specify the investigation should include social and economic causes having a bearing on the violent disorders.

Not Policing Alone

Sen. John Sherman Cooper, R-Ky., and others who supported his amendment, said the Senate should let slum residents know that its intent was not to suppress those responsible for the riots.

As Sen. Philip A. Hart, D-Mich., put it, the Senate should give assurance it does not believe that "night sticks and riot guns" alone will provide domestic tranquility.

McClellan, however, contended the resolution as written was all-inclusive. He assured Cooper, "There is not one thing your amendment calls for that will not be done."

\$150,000 For Inquiry

The resolution authorizes \$150,000 for the investigation. It sets deadlines of Oct. 2 for an interim report and July 31, 1968, for a final report. It was approved by a 59-0 vote.

McClellan told a reporter after the vote he will assemble additional staff as quickly as possible, probably drawing in part on government agencies. Meanwhile, he said, the present staff will lay groundwork for hearings.

He said it was impossible at this time to say when hearings would get started, but added "the expectation and intent" is to cover all aspects of the civil disorders.

Asked if Black Power advocates such as Stokely Carmichael and H. Rap Brown might be called to testify, McClellan said he was sure their activities would be investigated.

But he said he did not think the subcommittee would want to give them "a forum to spew their poison."

A WEeping Mrs. Robert McElmore of Columbia, S. C., (crouching on ground) is comforted by a neighbor as her 4-year-old son, John, lies near her home. He ran into side of a truck but was not seriously hurt. (AP Wirephoto)

GOP Governors Talk Politics At Mackinac Island

MACKINAC ISLAND, Mich. (AP)—Powerful Republican figures gathered at this resort island today to visit with Michigan Gov. George Romney.

Presidential talk obviously was in the air.

New York Gov. Nelson Rockefeller and Romney flew in Friday night, as did former Pennsylvania Gov. William Scranton.

Rhode Island Gov. John Chafee planned to fly to Michigan today, his office said.

"I just invited them up here on a personal basis, purely personal," Romney insisted to newsmen. "I've been entertained by them and I wanted to entertain them here in return."

The three governors and their wives sat up together chatting until about 11:30 p.m., then went to bed. Rockefeller and Scranton were accompanied to the island by only their wives.

Romney is a leading contender for the 1968 Republican presidential nomination, although he has not announced any plans to run.

Rockefeller has been mentioned as a possible candidate, but he insists he is supporting Romney.

Donald W. Wyatt, Chafee's executive secretary, said he would be "awfully surprised" if

one of the major topics is not the 1968 presidential campaign.

There was no public announcement of the meeting from Romney's office, but an aide said the conference was planned as "an informal meeting in a relaxed setting."

Romney, however, scheduled a quick trip to Detroit this morning to attend the funeral of a National Guard sergeant killed during the recent Detroit riots.

The Romney aide, who asked that he not be named, said, "My guess is that the discussions will include how the political situation is developing and the outlook for the future."

He said the talks also probably would include the New Hampshire primary — first in the nation. Romney is expected to enter to test his vote-drawing power outside of Michigan.

Scranton said in Pennsylvania, however, it was his understanding that the meetings were more to get Romney acquainted with various Republican leaders than to plan Republican strategy for 1968.

He said he understood Pennsylvania Gov. Raymond Shafer and Mrs. Shafer had received an invitation to meet with Romney and planned to go to Mackinac Island later this month.

U.S. Envoy To Renew Talks With Russians

WASHINGTON (AP) — Chief U.S. disarmament negotiator William C. Foster heads for Geneva today to open a new and promising chapter in the bid for a treaty barring the spread of nuclear weapons.

Word the Soviets were ready to present a joint U.S.-Soviet draft treaty at the 17-nation Geneva disarmament conference came Friday from Ambassador Foster after he met with President Johnson.

Official U.S. sources said if all goes well in the new talks, the nuclear nonproliferation treaty may be ready in late October for submission at the U.N. General Assembly's fall session.

Foster, who left Geneva only last Wednesday for Senate testimony here, promptly booked a return flight to Geneva to work out final details with his Soviet counterpart at the disarmament conference, Alexei Roschin.

Talks Since 1965

On-and-off negotiations for the pact began in April 1965. The forthcoming U.S.-Soviet proposal will be open at Geneva for modification by other nations at the disarmament conference before a final version is agreed on.

Official U.S. sources said the atomic have-not nations doubtless will want changes from the probable U.S.-Soviet wording.

The proposed treaty combines pledges by the nuclear powers, on the one hand, not to give atomic arms to others; and by the non-nuclear powers, on the other hand, not to acquire such weapons.

Inspections System

Washington and Moscow left blank for the time being the treaty's provision for safeguards against violations.

That's mainly because the Soviets want a worldwide system of inspections against any cheating by the have-nots, while Western Europeans prefer to continue with the inspection system installed under their program for peaceful uses of nuclear energy.

From the U.S. standpoint, larger problems remain to be thrashed out and there is considerable uncertainty about what the have-not countries will accept.

The two nuclear super powers already have parallel policies against handing their atomic arms to third parties. But with France and Red China building their own atomic arsenals, pressure has been growing in have-not nations against giving up permanently future national rights to nuclear arms.

Suit Challenges State Welfare Residency Rule

BATTLE CREEK (AP)—The constitutionality of Michigan's one-year residency requirement for welfare payments is being challenged in a federal court lawsuit.

The Calhoun County Legal Aid Society, acting in behalf of itself and an Albin mother of two children, brought the suit in U.S. District Court in Grand Rapids Thursday against the state and the Calhoun County Department of Social Services.

Hanoi Declares Bridge Raid Is New Escalation

SAIGON (AP) — A broadcast from Hanoi declared U.S. planes attacked North Vietnamese capital today, following up a raid Friday that the Communists denounced as a "new and extremely serious escalation" of the war.

Radio Hanoi said seven planes were shot down and several pilots were captured.

Like its report that three were felled Friday, this remained unconfirmed. American spokesmen in Saigon said they had no comment.

The U.S. Command said details were not yet available on the day's strike missions.

The East German news agency ADN said in a Hanoi dispatch issued in Berlin that six raids were flown against Hanoi in a 17-hour period today, "claiming numerous civilian lives."

In the ground war, Viet Cong guerrillas unleashed coordinated attacks against four South Vietnamese army compounds in sensitive Quang Tri Province, just below the demilitarized zone.

The attackers penetrated the defense line of the compound at Trien Phong two miles northwest of Quang Tri City and inflicted heavy casualties on the 100 defenders. Two Australian advisers were wounded.

Forty-one Viet Cong dead were counted outside two of the attacked posts.

South Vietnamese troops sustained light casualties at the La Vang compound two miles south of Quang Tri City and at the Hai Lang compound five miles southeast of the town. Communist gunners lobbed a number of mortar rounds at the Quang Tri sector compound but scored no damaging hits.

Hanoi Bridge Cut

U.S. pilots ranged over North Vietnam Friday on 150 strike missions, shaking off several Communist MIG interceptors and a barrage of surface-to-air missiles.

In the most dramatic raid U.S. Air Force jets scored four direct hits on the Doumer Bridge 1.7 miles from the center of Hanoi, and dropped the center span into the Red River. The mile-long bridge carries all rail traffic out of Hanoi bound for Red China.

North Vietnam, meanwhile, charged that U.S. planes attacked residential quarters in the heart of Hanoi Friday and hit the city's outskirts in a "new and extremely serious escalation" of the Vietnam War.

Navy pilots from the carrier Constellation hammered two key Communist bridges in the Phu Ly area, 35 miles south of Hanoi.

Lt. Cmdr. Bob Kemper, 33, of Shelbyville, Ky., an A4 Skyhawk pilot who was flying his 200th mission over North Vietnam, reported that 750 and 1,000-pound bombs dropped the Phu Ly highway bridge.

Barracks Wrecked

A6 Intruders and F4 Phantoms attacked the Sung Van railroad and highway bridge 18 miles southeast of the Phu Ly Bridge. Pilots said their bombs appeared to be on target but that heavy smoke prevented a damage assessment.

Navy A4 Skyhawk pilots reported wrecking the Hai Duong military barracks midway between Hanoi and Hai Phong and the Phu Ly transformer station 35 miles south of Hanoi.

The 12 long barracks at Hai Duong were engulfed in flames that sent smoke towering 1,000 feet, Navy pilots said.

There were no U.S. planes reported lost in any of the strikes over the North.

Hart Asks Probe In Origin Of Riot

WASHINGTON (AP) — Sen. Philip A. Hart, D-Mich., has asked Atty. Gen. Ramsey Clark whether the origin of the recent riot in Detroit is being investigated by the Justice Department.

Hart cited published reports that the Detroit riot was accelerated, if not inspired, by an organized band of Negro revolutionaries.

He sent Clark Friday what is purported to be the text of a pamphlet seized in Detroit which suggests the possibility of sabotaging government facilities. And, he referred to reports that a coordinated group had sought to spark the riot.

Conyers Honored

ATLANTA, Ga. (AP) — Rep. John Conyers, D-Mich., was named Friday as the winner of the Rosa Parks Freedom Award, given annually by the Southern Christian Leadership Conference.

Montreal Train Wrecked; 2 Die

SARATOGA SPRINGS, N.Y. (AP)—A Delaware & Hudson passenger train bound for Montreal, with about 300 passengers, and a freight train collided early today near this upstate resort, and two passengers were known dead.

About 40 persons also were reported injured in the crash of a Montreal Limited, which left New York City at 11 p.m. Friday, and a 100-car freight train bound from Whitehall to Oneonta.

A railroad spokesman said the southbound freight train, with more than 100 cars, sideswiped the passenger train near the Saratoga Springs-Ballston Spa line, on tracks adjacent to Route 50.

The crash occurred at 4:35 a.m.

Many ambulances were sent to the scene, some from as far as Glens Falls, about 20 miles north of here.

A railroad spokesman said the freight train, bound from Whitehall to Oneonta, was pulling onto a siding to let the Montreal Limited go through on a single track when the crash occurred.

There were reported to be more than 50 persons on the passenger train.

Today's Chuckle

Some children were asked to construct a sentence containing the word "amphibious." The son of a fisherman offered the following: "Most fish stories are fib-tious."

THE COHO SALMON being admired here measures 27 inches and weighs nine pounds, 12 ounces. When planted by the Michigan Conservation Department a year ago last spring, it weighed only about an ounce and was five to six inches long. It was caught by a gill net in Lake Michigan. Fish division chief Wayne Tody, and conservation director Ralph MacMullen are seeking a ban on gill nets in Lakes Michigan and Superior to protect the salmon, plus lake trout and save them for sports fishermen. (AP Wirephoto)

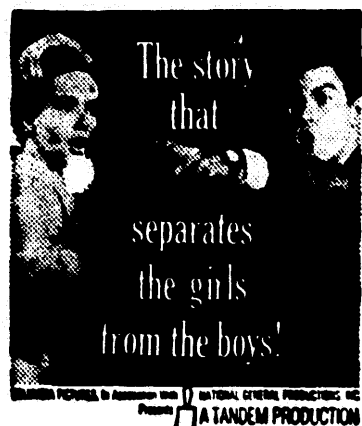

UAW Is Sure Of Strike Sanction

DETROIT (AP)—General Motors, Ford and Chrysler aren't likely to make the United Auto Workers a new contract offer before Aug. 28 or possibly Aug. 31.

A Chrysler vice president says it is "a fairly reasonable assumption" that no company offer will be made before a planned demonstration by skilled tradesmen Aug. 23, a week from next Wednesday.

There would be only a week left before current three-year agreements run out on Sept. 6 if an offer were delayed to Aug. 31.

Douglas Fraser, UAW Chrysler department director, said

WNMR Planning October Start On TV Program

MARQUETTE—A new season of National Educational Television programs will be launched in October by WNMR-TV, Northern Michigan University's ETV station, according to William Mitchell, NMU's coordinator of instructional communications.

Highlighting the 1967-68 broadcasting season on Channel 3, Mitchell said, will be "NET Journal," a weekly hour-long series of documentaries on vital public issues; "NET Playhouse," weekly full-length dramas and performance programs; "Spectrum," television's older series of science reporting for adults; and "Your Dollar's Worth," monthly consumer reports.

Mitchell also stated that WNMR-TV, one of 118 independent noncommercial television stations affiliated with NET, will also carry NET's schedule of live, interconnected, coast-to-coast network broadcasts.

VISTA Grads To Serve CAAs In Upper Peninsula

MARQUETTE — Thirty-six of the 44 persons who were graduated as Volunteers in Service to America (VISTA) at Northern Michigan University Friday will work in the Upper Peninsula. The remaining eight trainees will work in Lower Michigan.

Those being assigned to projects in the U. P. will work through one of five community action agencies: Alger-Marquette, Iron-Dickinson, Gogebic-Ontonagon, Baraga-Houghton-Keweenaw, and Delta-Memnonie-Schoolcraft.

This brings to 163 the number of VISTA volunteers trained at Northern since the first training program was held in 1965.

The graduation climaxed six weeks of training for the volunteers.

All of the trainees had three weeks of field service in various U. P. communities and 23 of the men and women worked in riot-torn Detroit where they assisted city officials in alleviating conditions resulting from the civil disturbance.

Model Building Time Reduced

LOS ANGELES (AP) — Adoption of a new process to reduce the length of time needed to build a model car has been announced by the Fisher Body division of General Motors Corp.

The technique will be part of the 1967-68 Fisher Body Craftsman's Guild competition Sept. 1. It uses polystyrene foam for the body of the model and a new polymer as a sealer.

Shrine Hosting Masonic Leader Today

MARQUETTE — Thomas F. Seay, prominent Chicago real estate man, who was recently elected to the office of imperial potentate of the world's 651,000 Shriners, arrived here today for an official visitation to Ahmed Shrine Temple of Marquette on the occasion of their summer ceremonial. He was greeted by Carl L. Carlson, son of Manistique, who will be his host during the visit.

Seay explained to the Nobles and friends of Ahmed Temple the four-point program he has developed for the Shrine during his year as imperial potentate.

"As you know, all Shriners are, first and foremost, Masons. This is where our primary fraternal obligation lies. There is no better way of strengthening the Shrine," he stated, "than by strengthening the Masonic Blue Lodge. I am therefore asking each noble of the Shrine, to make it his personal responsibility to bring one young man into his Blue Lodge." Seay explained that this would mean 851,000 new Masons, and could eventually lead to 851,000 new Shriners.

Second of Seay's four points is expanding the Shrine's philanthropic work. A committee he is appointing will investigate expanding the Shrine's work in the burns field.

Five years ago, in 1962 in Toronto, the Shrine appropriated \$10 million to build three Shriners Burns Institutes of

Thomas F. Seay

Milk Output Sags In State; Price To Climb

Declining milk production, sagging wheat prices and seasonal fall declines in hog and lamb prices are reflected in the early August commodities market report from Dr. John Ferris, Michigan State University agricultural economist.

Michigan production in June was down 6 per cent, 3½ per cent in the Southern Michigan market area, while the total number of market shippers in the Southern Michigan market showed 7½ per cent decline over a year ago.

Some seasonal increase can be expected in excess prices this fall as production declines and the recently imposed import restrictions allow prices to move above supports. The presidential proclamation will cut the annual rate of imports from 4.3 billion pounds of milk equivalent currently to about one billion pounds.

The Great Lakes Federation established Class I prices for August to December at 30 cents over the level in effect this past year. This puts the zero zone prices at \$6.40 per hundredweight.

Slightly fewer cattle were on feed on July 1, 1967, compared with a year ago. Short term supplies will continue large. The number of steers weighing over 1,100 pounds on feed on July 1 was up 13 per cent and the number between 900 and 1,100 pounds was up 8 per cent. The number of the heavier heifers was down slightly.

Producers intend to market 2 per cent more fed cattle in July to September than in the year before. At that rate, slaughter in the third quarter would be off slightly from the high rate of the second quarter.

Egg prices jumped sharply in July, with Grade A large white at Detroit reaching the mid 30's. This is near the level forecast for the third quarter.

Oddfellows and Rebekahs and their friends will attend a Sunday picnic at Pioneer Trail Park (north side) with noon lunch and supper being served. Each is asked to bring his own table service.

The Clover Leaf 4-H Club enjoyed a recent meeting at the Elmer Johnson farm, where they practiced showing livestock for the Fair. A marshmallow roast followed. Last night the members participated in a wicker roast at the Johnson farm.

Arts, Crafts Program Ends

The arts and crafts programs at Royce Park and the Webster Playground closed this week after a highly successful season. Leadership was made available under the College Work Study Program sponsored by Bay de Noc Community College and directed by the recreation department.

Ruth Gillickson and Lois Greenlund were in charge of activities at Royce and the program at Webster was supervised by Janet Guindon and Karen Eis. Sue Cousineau directed games for girls which included softball, volleyball and badminton.

This was the final week for swimming lessons at the municipal beach and most of the time was spent in testing the youngsters to determine their classification for next year.

The final week of tennis instructions was completed this week and youngsters are asked not to report for lessons. All city courts will be used for the Michigan - Wisconsin Tennis Open this weekend.

The wading pool at the Webster Playground is closed for the season and the bus to the beach will not run for the rest of the summer.

Races, Rodeo Open Big U.P. Fair

U. P. STATE FAIR'S administrative head is Cliff Perras, secretary-manager, who is responsible for that bright new look you'll see at the Fair this year. (Daily Press Photo)

Exposition Has Action, Color

By CLINT DUNATHAN

The 1967 U.P. State Fair has so much going on that it will open two days earlier and last two days longer, with plenty of free entertainment thrown in for good measure.

Tomorrow night (Sunday) there is a program of stock car racing to cap the advance entry exhibit day; and on Monday night there will be the first of three shows by the Barnes RCA sponsored Rodeo. Other rodeos will be on Tuesday afternoon and evening.

All grandstand shows are at 2 and 8 p.m. throughout the week.

Even the weatherman is cooperating. The forecast is for sunshine and a warming trend.

Tough Sport

Rodeos that will hold the spotlight on Monday and Tuesday bring something new for the U.P. Fair, but plenty old in other areas where the rough and tumble and sometimes dangerous professional sport has more followers than an ice cream cart at a picnic.

Cliff Perras, the Fair's secretary-manager, said that with a purse prize of \$1,000 and entry fees set at \$10 and \$15 per event, there will be plenty of exciting and stiff competitive action.

"Some of professional rodeo's toughest cowboys will ride and rope in the sport's five standard events — saddle and bareback bronc riding, calf roping, steer wrestling and bull riding," Perras reported.

Escanaba will serve as the "premiere" for the National Finals Rodeo to be held in December this year in Oklahoma City. Among those who will ride here and in qualifying test for the finals will be Dennis Reiners in the saddle and bareback bronc riding.

Those Special Days Ticking off the Fair Week days with their special appeal and significance, Perras noted that there is much to see that is free at the Fair.

● Tuesday is Safety Patrol Day, when school safety patrol boys and girls of the U. P. will be honored. They will attend the rodeo in the afternoon and enjoy a picnic on the grounds.

● Wednesday brings beauty to the Fair with Queen's Day, when both afternoon and evening grandstand shows are free to the public. There will be the Battle of the Bands and the queen contest in the afternoon, with the finals at the night show, when new queen will be crowned.

● Thursday's offering highlights the contributions of 4-H and other farm youth groups and brings free shows to the grandstand afternoon and evening. Connie Smith, one of the nation's top stars in the country and western music field, and her show will entertain.

Gov. Romney Coming ● Friday is Governor's Day, with Gov. Romney holding the center of the stage in the afternoon for an appearance before the afternoon grandstand and a tour of the grounds to meet and greet the people. The Northern Michigan University Camp Band, whose more than 200 members includes vocalists and choirs as well as instrumentalists, will entertain both afternoon and evening.

● Saturday is Veteran's Day with a free show in the afternoon at the grandstand, when drum and bugle corps from around the U. P. will perform;

TO STAY ABOARD A bareback bronc, the cowboy clutching a leather handhold, much like the handle on a duffle-bag. The event doled out over half a million dollars (\$506,446) last year in contests approved by the professional Rodeo Cowboys Association.

and the night event is a stock car racing program for which there is a charge.

● Sunday's closing day of the Fair will feature an afternoon of stock car racing and a night thrill show with Lucky O'Hara and his daredevil drivers.

Perras points out that the colorful new look of the Fair is achieved with the help of paint and imagination: Pink exhibition building, blue, yellow and pastel colors elsewhere, plus a generous planting of flowers and more restful areas of grass and trees.

Special Features On the free side also is a view of the Mariner 4 satellite, 14 feet high, holding the center of attention in the exhibition building; and over near

Kenneth Hixon Drowning Victim Near Keweenaw

Kenneth E. Hixon, Marathon, Wis., was accidentally drowned at 10 a.m. yesterday, while employed as a welder on a water intake line in Keweenaw for the Janke Construction Co.

He was born Sept. 4, 1923 in Munising, was a U. S. Marine veteran, and a member of the American Legion.

Mr. Hixon is survived by his widow the former Eleanor Roberts of Rapid River and four step-children. Also surviving are his parents, Mr. and Mrs. Eidon Hixon of Sault Ste. Marie, one brother and four sisters.

The body will be brought to the Skradski Funeral Home where friends may call Sunday after 4 p.m. Funeral services will be held at the funeral home on Monday at 2 with the Rapid River American Legion Post in charge of military rites.

Burial will be in Rapid River Cemetery.

Briefly Told

Escanaba police have issued traffic court notices to Mary L. Anzalone, 1523 11th Ave. S., speeding; Charles M. Valind, 1409 1st Ave. N., speeding and disobeying a traffic signal; Guy J. Donovan, 600 S. 19th St., speeding and no proof of insurance; and to Preston J. Preston, 801 1st Ave. S., defective muffler.

Randy O'Donnell, 11, of 922 S. 14th St., was "rescued" by Escanaba police Friday afternoon when the hooks of a fishing lure caught in his thigh. Other hooks were also caught in his jacket, so that he could not walk. Police took him to a doctor, who removed the hooks.

The Amvets Club in Escanaba was entered by thieves who took coins and wine, beer and liquor, city police report. Entrance was gained by cutting a screen door, opening the door and then forcing open the door to a storage room.

A "bag" to New Yorkers is a "sack" in Kansas and a "poke" in Alabama.

Population Of Delta In 2000 To Be 37,338

The Michigan Department of State Highways' population projections as a basis for its planning program indicate a population for Delta county which will gain 3,040 persons by the year 2000. This increase would be over the 1960 figure of Delta county population of 34,298 to a total of 37,338.

The county's population was 34,037 in the 1940 census, slipped to 32,913 in the 1950 census, and rose to 34,298 in 1960. The 1950 dip was despite a modest increase of 340 in the population of the City of Escanaba, the county's largest population unit.

The projections indicate belief that the townships about the cities of Escanaba and Gladstone will increase in population and that those in the others will decline, following a national trend toward urbanization.

The projection of the City of Escanaba from the 1960 cen-

sus figure of 15,391, is to 15,621 in 1965, 15,187 in 1970, 15,276 in 1975, 15,769 in 1980 and 17,474 in 2000.

The projection for Gladstone is from the 1960 census figure of 5,267 in 1960 to 5,215 in 1965, 5,075 in 1970, 5,110 in 1975, 5,280 in 1980 and 5,868 in 2000.

The projections for the Delta County townships from the 1960 census figures for the year 2000 follow:

Baldwin 647-485.
Bark River 1,361-1,442.
Bay de Noc 266-165.
Brampton 589-626.
Cornell 431-357.
Ensign 431-357.
Escanaba 1,485-1,885.
Fairbanks 319-180.
Ford River 1,308-1,717.
Garden 771-662.
Maple Ridge 913-652.
Masonville 1,255-1,103.
Nahma 569-146.
Wells 3,295-4,232.

In projections of age groups, from a 1960 population of 34,298 for Delta County to 34,046 in 1980, the Highway Department indicates losses in the following age brackets: 0-4, 5-9, 10-14, 35-39, 40-44, 45-49, 50-54, 65-69, 70-75, 75-79.

And gains in these brackets: 15-19, 20-24, 25-29, 30-34, 55-59, 60-64, 80-85, 85-plus.

Perkins History To Mark Picnic

The 1967 Historical Society picnic, to be held Sunday, Aug. 20, will feature a program devoted to the history of the Perkins community in Delta County.

Residents and former residents of Perkins, members of the Delta County Historical Society and their friends, will attend.

Gathering at Dutch Mill Park north of Rapid River, family picnic lunches will start at noon and the program is scheduled for 2 o'clock, said Charles Folio, who with a committee from the Perkins Lions Club is making arrangements for the event.

Joseph Vestich, superintendent of schools and a member of the committee, is asking residents of the Perkins area to prepare written histories of their families, of the churches and other institutions of community life, for the program.

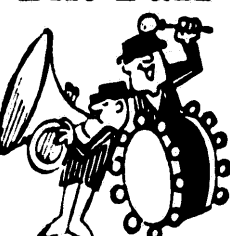

The loan of old photographs and pictures and documents of the Perkins area and its people is requested for display at the program on Sunday afternoon.

"I get my interest quarterly on my regular savings account at the Northern Michigan National Bank!"

(They're the only bank in Delta County to pay this way!)

Women's Activities

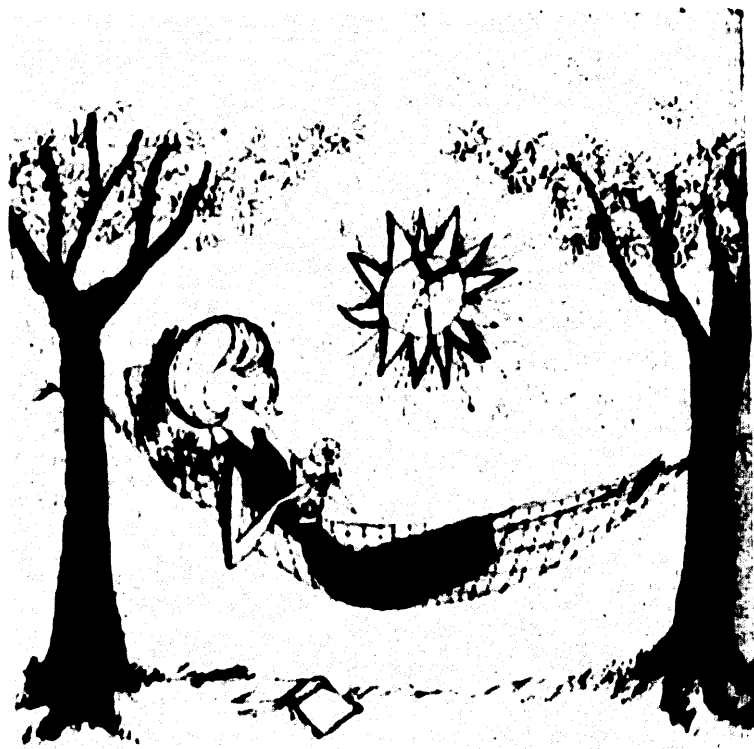

THE ENGAGEMENT of Miss Gloria Brumlic, daughter of Frank A. Brumlic, Green Bay, Wis., and the late Mrs. Brumlic has been announced by her father, to Theodore H. Hansen, son of Mr. and Mrs. Thorval Hansen, Route One, Rock. Miss Brumlic is a student at the University of Wisconsin, Milwaukee, majoring in art. Her fiancé is presently in the U. S. Navy stationed aboard the USS James C. Owens, Charleston, S. C. No definite wedding date has been set.

Events

Altrusa Club

Members of the Escanaba Altrusa Club are reminded of their monthly meeting and pot luck supper Monday evening, Aug. 14. They are to meet at the home of Mrs. George Petersen, 303 Ogden Ave. Weather permitting, they will then go to Ludington Park. The meeting time is scheduled for 6:15.

FOUR QUICK AND EASY WAYS to keep you cool during hot August days: Relax in a cool, shady spot for a few minutes several times during the day. Wash your hands often for cleanliness with a mild, antibacterial soap. Clean hands will make you feel cool all over. Plan a series of two-minute "soapsuds facials" to brighten your outlook. Cool those tired, not feet with a soak in the tub with a germ-fighting, deodorant soap.

Library Children's Room Exciting World Of Books

The world of the young—and the young at heart—can be found in the basement of the Escanaba Public Library. This is the Children's Room, a very spacious well-lighted area with thousands of treasures for boys and girls of all ages—a room where they may get acquainted with the best of the old and new in books.

What does the Children's Room have to offer its visitors? A good basic collection of 10,000 books on every subject imaginable—and some subjects never thought about! The non-fiction section is arranged according to the Dewey Decimal System. The fiction area is arranged according to interests of readers, that is mystery stories, funny stories, teen-tempters.

There is an attractive area with slant table and matching benches for the little ones. Gay cushions are provided as padding on the benches and added comfort for the "floor-sitters." There is a small section for the newest books—small, because new books go like a plate of chocolates when they are put out!

A small rack of magazines tempts those too restless to read or look at books. Seven sets of encyclopedias and a generous supply of other reference books are available for those in need of homework help. This includes several sets of encyclopedias which are circulated just as the regular books are.

A mounted picture collection housed in three large filing cabinets is also available. These pictures go out on loan to children, teachers and others for use in bulletin board decoration, illustrated lectures and

talks, models for arts and crafts, and some—on occasion, most unusual uses!

A story time is held at 10 a. m., every Saturday of the school year. Local schools are encouraged to bring classes to the Children's Room for library orientation lessons, story time, and book talks. A professional children's librarian is on hand to give reading guidance and reader advisory service to those needing or desiring it.

While the book collection is tailored to fit those from preschool through the 8th grade, adults who enjoy light romances, hot rod stories, or sport stories will find books which they also may enjoy.

The Children's Room is open from noon to 9 p. m., daily during the winter months. On Saturdays, the room is open from 9 a. m., to 6 p. m. It is closed Sundays and holidays. In the summer, the room is open on Mondays from 9 a. m., to 9 p. m., Tuesdays through Fridays from 9 a. m., to 6 p. m. It is closed on the weekends.

The Adult Department follows this same schedule. Everyone is invited to stop in and use the library collections, facilities, and services at any time during these hours.

Noodles Or Rice Dress Up Chicken

Newspaper Enterprise Assn.

Broiler-fryer chickens are in plentiful supply and therefore a particularly good budget buy. Serve them with rice or noodles for a welcome summertime dinner. A big bowl of salad—tomatoes, scallions, cucumbers, radishes and mixed greens belong in the menu, too.

Paprika Chicken With Noodles

2 teaspoons salt
1/2 teaspoon ground black pepper
3 lb. ready-to-cook chicken cut into serving size pieces
1/4 cup shortening
1 cup hot water
1/4 cup instant minced onion
3 teaspoons paprika
1/4 cup sour cream
1 package (8 oz.) noodles, cooked

Rub salt and black pepper on chicken and brown in shortening on all sides over moderate heat. Add water and minced onion; cover and simmer 30 to 40 minutes or until chicken is tender. Add paprika and cook 10 minutes longer. Remove the chicken to serving dish. Add sour cream to pan drippings. Mix well and heat thoroughly, but do not boil. Pour over chicken. Serve with noodles cooked as directed on package. Six servings.

Turmeric Chicken And Rice Casserole

3 pound ready to cook chicken
1 cup uncooked long-grain rice
2 cups boiling water
2 tablespoons instant minced onion
3 teaspoons salt
1 1/2 teaspoons ground turmeric
1/4 teaspoon ground black pepper
1 bay leaf
1 tablespoon lemon juice
Wash chicken and cut into serving-size pieces. Combine remaining ingredients. Add chicken and turn into 2 quart baking dish. Cover and bake in preheated moderate oven (325 degrees) 1 1/4 hours or until rice and chicken are tender. Serve hot. Six to 8 servings.

Births

SMITS—Mr. and Mrs. Clayton Smits, Depere, Wis., are the parents of a daughter, Karen Marie, born Aug. 8 at 8 a. m. Karen weighed 8 pounds, 11 ounces. Mrs. Smits is the former Mary Lou Schleis. Maternal grandparents are Mr. and Mrs. Joe Schleis, Escanaba.

Diamond is the hardest natural material known to man.

Youth Groups Repair Mission Church At Ralph

Members of the Episcopal Youth Groups from St. Stephen's Church in Escanaba, Trinity in Gladstone and St. Mark's in Crystal Falls have completed a four day work project at St. Mary's Mission, an old pioneer style log church in Ralph.

Old chinking between the logs was replaced, windows were puttied, trim and floor painted and brush was cleared from the area.

In charge of the group of teenagers was the Rev. Mr. Ben Helmer of St. Stephen's. The group included Helena and Molly Crandall, Steve Gage, Ann Mettler, Kathy Koski, Dawn Premo and Bruce Turner of Escanaba, Bill Von of Gladstone and Dick and Jim Harrison of Crystal Falls.

The project was financed by weekly bake sales and a pancake supper held by St. Stephen's during the year.

Nahma

Susan Miron is spending a week vacation at the home of her parents, Mr. and Mrs. Romeo Miron.

Mr. and Mrs. Francis Turek, son Lee and daughter Susan left Thursday for Anderson, Ind., after spending a week at their home here.

Mr. and Mrs. Neil Olmsted and Mr. and Mrs. Howard Olmsted returned to their home in Detroit after spending several days at the Olmsted home here.

Mr. and Mrs. Runar Beck and children John and Nancy of Escanaba and Mrs. Kathleen Lauscher of Gladstone spend Sunday at the home of Mrs. Peter LeClair. John and Nancy remained for a longer stay with their grandmother.

Mrs. Jean Stock Milwaukee arrived Thursday to spend some time at the home of Mrs. Antoine Deloria.

John Turek of Anderson, Ind., spent a week vacation at the home of his sister and brother-in-law Mr. and Mrs. Ed Sheedlo.

Mr. and Mrs. William Laurence and family of Quinnesec are spending the week end at the home of her parents Mr. and Mrs. Victor Thibault.

Isabella

Mr. and Mrs. Vernon Peterson left for a vacation trip to Canada. While there they will attend Expo '67.

Mr. and Mrs. Albert Waterhorn, Mrs. Jake Landis and son Steven attended the funeral of Albert Waterhorn's sister held Thursday at Sault Ste. Marie.

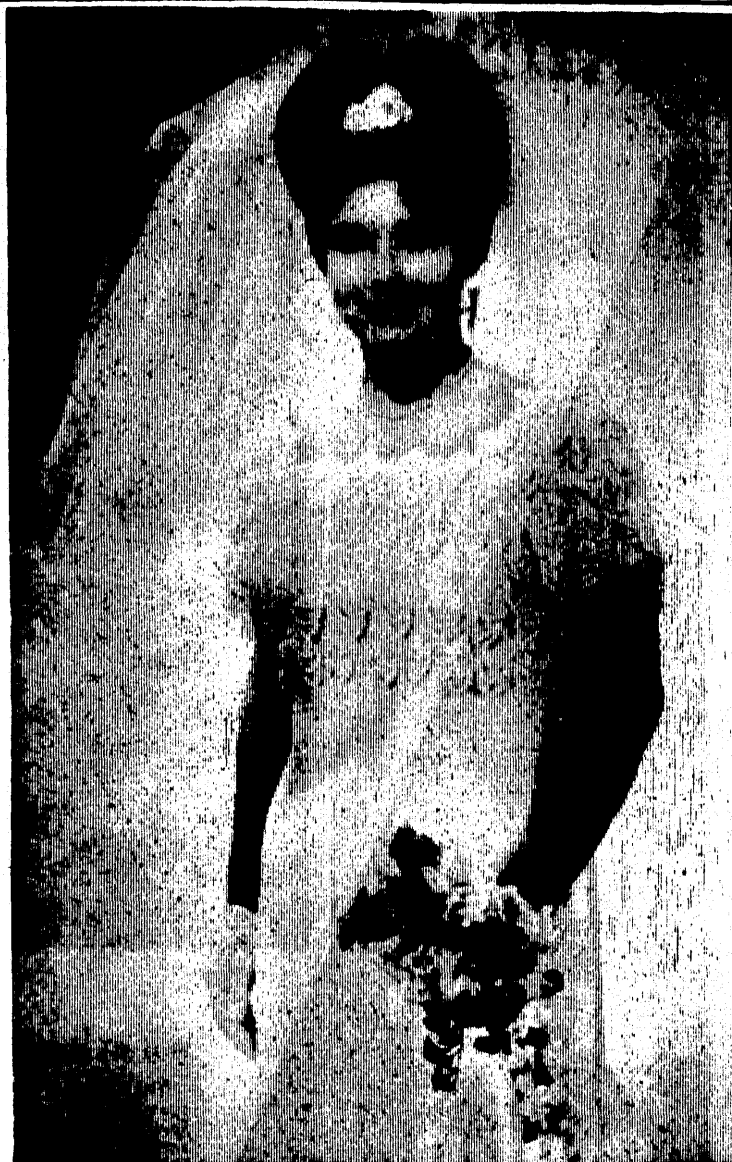

Mr. and Mrs. Caleb Johnson are in Detroit visiting at the homes of their sons, LeRoy, Robert and Dale Johnson.

Mrs. Kenneth LeVigne and her mother Mrs. Rose Nipper are visiting relatives and friends in Lower Michigan.

Here's a different idea, and one youngsters will enjoy. Mix instant chocolate-flavored mix (the kind used for milk drinks) with sugar and cinnamon and sprinkle over hot buttered toast.

Mrs. Daniel Boyle (Lee's Studio)

Kathleen Bennett Wed To Daniel John Boyle

Bouquets of pink carnations and white gladioli colored the center and side altars today at St. Patrick's Church in Escanaba for the marriage of Kathleen Bennett and Daniel John Boyle, both of Escanaba.

Officiating at the single ring nuptials at noon was Monsignor Martin B. Melican. Parents of the couple are Mr. and Mrs. Owen J. Bennett of Roscommon and Mrs. Frances Boyle, Escanaba and the late John Boyle.

Phyllis Woodard was soloist and sang Ave Maria, Panis Angelicus and Psalm 23. She was accompanied by Mrs. Helen Murki.

The bride was attired in a floor length gown of candlelight shawl linen and imported Venice lace fashioned in empire line with high-rise bodice and sheath skirt. The scoop-necked bodice and short cap sleeves were accented by an overlay of pearl-drop Venice lace, giving a draped effect. A wattleau train with scattered motifs of pearl-drop Venice lace fell to chapel length. Her matching veil was a circle of pearl-drop Venice and seed pearls, holding the multi-tiered veil of silk English illusion. She carried a cascade of two dozen ivory roses.

Maid of honor was Mary Patrick, White Plain, N. Y.; and bridesmaids were Mrs. Wayne (Linda) LaFave, Escanaba and Diane Blomquist, Flint. Junior bridesmaid was Cathy Lee Brown, Gladstone.

They were identical floor length empire sheath gowns of seapray green chiffon over matching taffeta. The high-rise bodices featured scoop necklines and sleeves bonded with matching pearl-drop Venice lace. Their veiled Dior bows matched the gowns. They

carried a single ball of white mums accented with flowing green streamers.

Bestman for his brother was Michael Boyle. Groomsmen were Jerry Guindon and Dick Casey. Performing ushering duties were Bob Haddock and Jim Boyle brother of the bridegroom.

The mother of the bride chose a willow green silk organza over taffeta with a sheer coat and matching accessories. She pinned a corsage of pink roses. The bridegroom's mother was attired in a cream-yellow slub weave India silk dress and pocket ensemble with harmonizing brown accessories. She was presented a corsage of yellow miniature roses. The grandmother of the bride was also presented a cream cymbidium corsage.

A rehearsal dinner was given by the bridegroom's family at the Terrace and a reception is being held at the House of Ludington. Assisting are Jane McInerney, Mrs. Richard Casey, Cindy Bennett and Mrs. Frank Tanel III.

Following their wedding trip to California the couple will reside at 901 1st Ave. S., Escanaba.

The bride is a graduate of Northern Michigan University and is employed as second grade teacher in Flat Rock Public School. The bridegroom graduated from Ferris State College and is manager of Home Supply Co.

Dear Heloise:
Does anyone know how to get rid of the "mothy" smell in closets, drawers and so forth caused by moth balls or crystals. I've tried everything and am at my wit's end.
I. T. H.

Dear Heloise:
For over a year, I have been looking for a certain shade of turquoise necklace to match my shoes and belt that I coated with shoe coloring.
This weekend I got the idea to try the shoe coloring on a necklace that I seldom wear. I coated it with the shoe coloring and it is beautiful. I then tried by luck on earrings and hit the jackpot again.
You should hear the compliments I get on my matched set.
Frances E. Brady

Heloise welcomes all mail, especially household hints which she can pass on to readers as space permits. However, because of the tremendous volume of mail she receives daily, Heloise is unable to answer all individual letters. She will answer readers' questions in her column whenever possible.

Dear Heloise:
Have you ever started to give yourself a home permanent and found you were out of cotton? Well, today, I did. I thought about using a piece of cloth, then decided to cut a corner off one of my new dish-washing sponges.
It worked perfectly.
Other women might like to try it.
Irma Waefler

GLADSTONE

Bike Rider Is Hurt By Auto

Edward Benz, 11, the son of Mr. and Mrs. John Benz of Groos, suffered fractures of both legs when he rode his bicycle into the path of a car on County Road 426 at Bittner's Corners at 4:40 p.m. Friday.

State Police of the Gladstone post reported that the driver of the car, Milton Todo, 63, of Ferndale, Mich., told them that he saw the boy on the bike and slowed down, but the boy turned suddenly in front of the car.

He was taken to St. Francis Hospital where his condition today is reported as good.

The boy suffered a fracture of the right leg, two fractures of the left leg, and a cut on the back of his head.

Women Golfers Have Visitors From Manistique

The Women's Golf League of the Gladstone Golf Club entertained women golfers from the Indian Lake Club of Manistique on Thursday afternoon at the Days River course.

Winners in the event were: Low Gross from Gladstone—Bev Farrell—42

Low Gross from Manistique—Kate LeBrasseur—46

Low Net from Gladstone—Vi Damitz—37

Low Net from Manistique—Tootie Thompson—41; Alice Modders—41

Closest to the Flag on No. 4—Alice Altese

Longest drive on No. 5—Carmal Cannon

Mystery prize—Helen McGlothlen

Door Prize—Helen Johnson

Other low scores for the day were—Katie Van Donsel—46; Alice Altese—49; and DeDe Peterson—49.

Dinner was served in the evening following the matches.

Personals

Mr. and Mrs. Eric Peterson of Flushing, Michigan, are visiting with relatives over the weekend.

Mrs. Beverly R. Radford of Chicago is visiting at the home of her mother, Mrs. J. T. Jones.

Mr. and Mrs. George Barski returned to their home in Chicago on Friday after attending the funeral of Mrs. Barski's mother, Mrs. Ed Jackson. They will visit briefly in Door County, Wis., on their return trip.

Stanley Hawkins will return to Saginaw this weekend following a week's visit with his aunt, Mrs. J. T. Jones.

Briefly Told

State Police of the Gladstone post have issued traffic court notices to Philip Villeneuve of Manistique for speeding, and to Constance Bernard, 2216 25th Ave. S., Escanaba, both for speeding.

Dr. Grislis Will Speak At First Lutheran Church

Dr. Egil Grislis, associate professor of historical theology at Duke University Divinity School, Durham, N.C., will be the guest speaker at the 8:30 and 10 a.m. worship services at First Lutheran Church on Sunday. Special music will be provided by Kris Olson and Kris Sjoquist.

Dr. Grislis was born in Latvia in 1928 and escaped from Latvia in 1944. He lived in Germany from 1944 to 1949 and studied at Divinity School, University of Heidelberg. In 1949 he came to the United States and received his B.A. Degree from Gettysburg College in 1950; his B.D. in 1953 from Lutheran Theological Seminary at Gettysburg and his Ph. D. from Yale University in 1958.

He was ordained in 1957 by the New York Synod of the then ULCA (United Lutheran Church in America) and served as pastor of Emanuel Lutheran Church, Hudson, N.Y., from 1957 to 1959. Since 1959 he has been teaching at Duke with a special call from the North Carolina Synod of LCA.

He was married in 1956 to Lorraine Sommers, daughter of Mr. and Mrs. Evald Sommers, 411 Center St., Marquette. They have two children, Karen Ann 8, and Kristin Eva 5. They spend their summers in Marquette.

Vibration Called Minor Fill Bug

WASHINGTON (AP)—The Pentagon concedes the accuracy of reports that the Air Force's controversial F111 vibrates in flight, but calls it a minor problem.

Responding to questions Friday, the Pentagon said the vibration has been traced to bomb racks. A spokesman called it a design problem now being solved.

The New York Times said in its Friday edition technical difficulties would delay a planned Vietnam combat test of the swing-wing jet until next year. While the Pentagon never officially has announced combat testing of the plane, sources say it is scheduled for such work in the near future.

Bay City Ordered To Cut Pollution

BAY CITY (AP)—The State Department of Public Health has told Bay City it must clean up its sewage discharge into the Saginaw River by May 1, 1971.

The department told the city Friday it must submit preliminary studies and design by next May 1 and have department-approved plans for added facilities approved by May 1, 1969.

The city estimates an expenditure of \$2 million to \$3 million will be necessary to build a secondary treatment plant.

SECRET

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and send your Bible drive.

 2—Merchants vs. Flat Rock
 4—Class C finals
 6—Class D finals

Escanaba Teamsters opened their campaign for the district Class C softball championship at Memorial Field Friday night with an impressive 6-0 shutout over Rapid River.

In Class D action last night, Manistique knocked the No. 2 Gladstone team out of the tournament with a 4-1 victory.

The Class B, C and D tournaments hit full stride today with six games on tap starting at 1 and running through a 9 p. m. nightcap.

Sunday is the windup day, with action starting at noon. Championship games are scheduled through the afternoon.

Bill Groleau hurled Teamsters to their 6-0 decision over Rapid River, whipping out a

four hitter and fanning nine batters.

He gave up two hits in the opening frame as Rapid loaded the bases, but the husky right-hander clamped down to retire the side with a strikeout.

Teamsters opened scoring in the last of the second as Tom McKie walked, stole second and tallied on a hit by Frank Trotter. The Escanaba team clinched the victory with five

Scholander Eyes Tank Comeback

CHICAGO (AP) — Don Scholander, at 18 a four-gold medal winner in the 1964 Olympics, set out today to prove he's not over the hill at 21 as the National AAU Outdoor Swimming and Diving Championships move into their second session.

"I just got tired, I didn't have it the last 50," said defending champion Scholander after fading to a fifth place finish in Friday's 400 meter freestyle race.

Steve Charlton of Southern California, winner of the 400-meter gold medal in the recent Pan-American games, swam Scholander into his foaming wake with a 4:08.8 clocking, bettering the existing world record of 4:11.1.

Another already-eclipsed current world record was shattered Friday by 17-year-old Mark Spitz, of Santa Clara, Calif., who looms larger and larger as the Don Scholander of the Olympics in Mexico City.

Spitz retained his 100-meter butterfly title in 56.7, surpassing the current world mark of 57.0, held by Argentina's Luis Nicolao but slower than the 56.3 Spitz already has swum twice this year.

Spitz also holds the pending world mark of 2:06.4 in the 200-meter butterfly which he was to swim today.

Scholander, who set Olympic records in the 400 and 200-meter freestyles at Tokyo in 1964, was to defend today his title in the 200-meter freestyle in which he has a pending world mark of 1:56.0.

Shaw Mops Up, Leaves Sunday For Army Duty

By The Associated Press
 The Pittsburgh Pirates got to Danny Friesella 20 minutes before the California Air National Guard did, but Don Shaw's pre-induction celebration saved the day for the New York Mets.

Friesella had to catch a plane at 11:30 Friday night in order to attend a guard meeting near his home in San Mateo. Allowing for a quick change and speedy trip to the airport, the Mets figured he'd have to leave the mound at Shea Stadium no later than 10:15.

The Pirates speeded up the timetable a bit, however, and when they got their second run off Friesella at 9:55, Shaw came

runs in the third inning. Groleau, McKie, John Lark and Dan DeGrand stroked singles to lead the assault on Franny Lancour who went the distance on the Rapid River mound.

Lancour gave up nine hits and whiffed six batters.

In the Class D game Arvid Larson turned back the Gladstone crew on a nifty two hit-ter. Both the hits came in the second inning in which Gladstone scored its lone run. Mike Verhamme and Gary Micheau collected singles.

Manistique reached Gene Verhamme for eight hits, including a leadoff homer by Ron Parkinson in the fourth inning in which Manistique tallied three times. Ron Johnson and Doug Demars scored the other two runs as Manistique boosted its lead to 4-1 and was never threatened.

Highlighting tonight's action will be the first Class B game of the tournament, matching the Merchants and Flat Rock at 7:30.

Teams are battling for the right to advance to the Upper Peninsula championship tournaments which will be staged next week. Escanaba will be host to the Upper Peninsula Class C tourney.

Country Club Women To Open Tourney Monday

Pairings for championship flight competition in the Escanaba Country Club women's tournament were set for Monday, Aug. 14.

Other flights will play Tuesday. Deadline for signing up is today. Mary Sue Boyce is the defending champion.

Pairings:
 9 a. m.—Mary Sue Boyce vs. Rosemary Lemire, Gloria Hansley vs. Ruth Needham

9:07—Mari Miller vs. Dorothy Anderson, Rita Sauers vs. Peg Douglas

9:15—Marie Wicklander vs. Lou Berglund, Sally Fontaine vs. Marilyn Knoll

9:22—Chris Barron vs. Harriet Fitzharris, Milly Boyce vs. Shirley Shomin

in to mop up in the 3-2 Mets' victory.

Shaw leaves for six months of active duty with the Army Reserve on Sunday and made what might be his last appearance a good one, keeping the Pirates from scoring and striking out two in the ninth.

In other National League action, St. Louis shaded San Francisco 2-1. Los Angeles blanked Cincinnati 5-0. Atlanta downed Houston 6-5 in 16 innings and Philadelphia edged Chicago 2-1.

In the American League, New York swept a doubleheader from Cleveland 5-3 and 4-1. Baltimore and Detroit split 5-1 and 2-5. Minnesota nipped Chicago 3-2. Kansas City beat Washington 3-2 in 10 innings and California blanked Boston 1-0.

Friesella not only pitched well, he also drove in one run and scored another. Dennis Ribant, an ex-Met was the loser. Manny Mota set up one Pittsburgh run and scored the other.

Orlando Cepeda returned to the St. Louis line-up after a two-day suspension for arguing with an umpire and hit a two-run homer for the Cards' victory margin. Nelson Briles, with relief from Joe Hoerner, was the winning pitcher.

Jim Brewer gave up four hits in the seven innings he pitched and Jim Lefebvre had three hits and scored twice for the Dodgers. Lou Johnson hit a two-run homer, his sixth, in the sixth inning.

Joe Torre's 17th homer ended the marathon in Atlanta, the longest game in the stadium's history. Felipe Alou's pinch homer in the 13th gave Atlanta a second chance which Torre cashed in on when he hit one off Barry Latman.

Bill White drove in Johnny Briggs with his third straight hit, a sixth-inning single, leading the Phillies to their ninth victory in 10 games. Jim Bunning won his 13th game, stopping the Cubs on seven hits and striking out nine batters.

Golf
 There will be no lessons for the junior golfers at Highland Golf Club Monday, Aug. 14.

THREE'S A CROWD says Mets third baseman Ed Charles as he tags out Astros Norm Miller on an attempted steal. The interloper is umpire Shag Crawford.

Confrey Ups Golf Margin

IRON MOUNTAIN — Dave Confrey's challengers are running out of holes in the Upper Peninsula men's golf championship tournament at Pine Grove Country Club.

The 24 year old Michigan Tech golfer from Winnipeg, Canada, took a giant stride toward the U. P. title Friday when he turned the rugged 18 hole layout in 36-37-73, one over par.

That put his 54 hole total at 220, eight strokes ahead of runnerup Billy Smith of Sault Ste. Marie, the defending champion.

Cubs Ousted From Tourney

LANSING—The Esky Cubs were eliminated from the Michigan American Legion baseball tournament here Friday when they bowed to Kalamazoo, 14-2, in a second round game.

The Upper Peninsula champions had lost their opening game Friday morning to Hamtramck, 7-0.

Confrey has turned in rounds of 70, 77 and 73 for his front running total. Smith has scores of 77, 74 and 77 for 228.

In third place, one stroke back of Smith, is Jack Hooper of the host club. He hit a 77 yesterday to go with earlier rounds of 75-77.

Jack Smith of Highland is in fourth place in the championship flight with a 232 total. He fired a fine 76 Friday to remain among the leaders. Dr. Jim Strong of Ontonagon is one stroke back of Smith.

Far back in the championship flight are Dave Friets of Highland and Dave Andrews of Escanaba Country Club. Friets shot an 84 and Andrews an 85 Friday.

Baxter Retains Firestone Lead

AKRON, Ohio (AP) — Rex Baxter Jr. has coped admirably with the lengthy fairways of the Firestone Country Club for two days, but the real test was to come today when he was placed in the same threesome with Arnold Palmer and Jack Nicklaus.

That's Baxter's reward for putting together two superb rounds in the \$100,000 American Golf Classic which winds up Sunday.

Baxter shot a two-under-par 68 Friday after an opening round 66 for a 134 total to take a two-stroke lead over Jack McGowan, the only other player in the tournament with successive under-subpar rounds over the 7,180-yard layout with a par of 35-70.

Sports In Brief

End George Sauer of the New York Jets earned his masters degree in mathematics at the University of Texas.

Jim Bunning of the Philadelphia Phillies has shut out the New York Mets six times. He pitched a perfect game against them in 1964.

Tennis Tourney Opens, Doubles On Tap Sunday

The Michigan-Wisconsin Tennis Open tournament gets under way here today with action in singles for men, seniors, intermediate, junior and novice boys, women, novice and junior girls.

The annual tourney will run through Sunday with matches at Ludington, College, high school and Royce Park courts. The schedule for Sunday's doubles matches:

Men
 Collard-Allard, Menominee vs. Mileski-Papineau, Escanaba, 10 a. m. Ludington

Wedding-Ziewacz, Soo vs. Fitch-Felton, Escanaba, 10 a. m. Ludington

Fisher-Fisher, Escanaba vs. Collard-Allard and Mileski-Papineau winner 11 a. m. Ludington

Scheffler-Frier, Oshkosh vs. Cooper-Partner, Portage 11 a. m. College

Bartz-Partner, Rhinelander vs. Wassberg-Harris, Neegaunee, 11 a. m. College

Brumm-Linke, Marquette vs. Wedding-Ziewacz and Fitch-Felton winner 11 a. m. Ludington

Boys
 Hivala-Vader, Escanaba vs. Lenahan-Welch, Oshkosh, 10 a. m. Royce

Henslee-Homes, Escanaba vs. Cooper-Partner, Portage 10 a. m. College

Johnson-Cleveland, Marquette vs. Hivala-Vader and Lenahan-Welch winner 11 a. m. Royce

Fisher-Houle, Escanaba vs. Henslee-Homes and Cooper-Partner winner 11 a. m. Royce

Snaps Losing Streak

Lolich Tips Orioles As Tigers Get Spilt

DETROIT (AP) — Mickey Lolich, who hadn't pitched in 19 days, had his own personal cheering section when he beat Baltimore 5-2 to earn the Detroit Tigers a split in a two-night doubleheader Friday, snapping his losing streak at 10 games.

Detroit lost the first game 5-1, but Minnesota's 3-2 victory over Chicago helped the Tigers pick up a half-game on the league-leading White Sox.

A fan with a bull horn in left field helped cheer Lolich on with cries of "Come back, Mickey, we love you."

"They were some of my good friends from Sam's Bar," said

Lolich, who pitched a five-hitter, striking out eight and walking three to put his record at 6-12.

"They were sitting up in left field when I was warming up," he added. "I couldn't hit the broad side of a barn before the game."

"I had a little control trouble early in the game but then my stuff came around and I was okay."

Lolich, who last won May 19 when he beat New York, turned in his third victory over the Orioles this year, all complete games.

He gave up a run in the second, walking two men and allowing a run-scoring single by Larry Haney.

But Detroit, held to one hit by Baltimore starter Pete Richert for 4 2-3 innings, caught fire with two out in the fourth. Al Kaline and Willie Horton hit back-to-back doubles. Richert walked the bases loaded and Jim Northrup delivered a two-run single.

Eddie Fisher took over and got out of the inning. But Detroit got two runs off Fisher in the seventh on a single by Lolich, a walk to Don Wert, Dick McAuliffe's RBI single and a wild pitch.

Lolich got into trouble in the Baltimore eighth. Haney led off with a single, pinch-hitter Dave Belanger 2b. . . .

Robinson coming to the plate. Detroit Manager Mayo Smith came to the mound.

"I figured I was out of the game," said Lolich. "The leading batter in the American League was coming up with the tying run."

Smith, after conferring with catcher Bill Freehan, decided "Mickey still had his stuff," and left him in.

Robinson belted a long drive to deep center field which Mickey Stanley caught near the wall, and Lolich got Brooks Robinson on a fly to Kaline.

In the first game, Brooks Robinson drove in two runs with a double and a sacrifice fly and Tom Phoebus and Stu Miller combined for a five-hitter for the victory.

Thousands Of Fans Will See Pro Grid Games On Weekend

By The Associated Press
 More than 300,000 pro football fans are expected to turn out for the 11 exhibition games this weekend in the National and American leagues.

The largest crowds are expected tonight at Birmingham, Ala., and Los Angeles to watch, respectively, the New York Jets battle the Kansas City Chiefs and the Dallas Cowboys lock horns with the Los Angeles Rams.

Close to 60,000 are anticipated at Birmingham to welcome Joe Namath, former Alabama star, back to the scene of many of his college triumphs. The \$400,000 prize quarterback is expected to key the Jet attack against the American League champions. A crowd of 57,205 turned out at Birmingham a year ago when the Jets played Houston.

More than 80,000 are looked for at Los Angeles to see if the Rams can make it two in a row. They beat New Orleans last week with Roman Gabriel completing nine of 16 passes. It is the opener for the Cowboys who

downed the Rams last year 20-10.

A sellout crowd is assured at Lambeau Field in Green Bay, Wis., for the first home game of the champion Green Bay Packers who whipped the College All-Stars last week in Chicago 27-0. The Pittsburgh Steelers are the opposition.

In other games today the Atlanta Falcons play the New York Giants at Ithaca, N.Y., the New Orleans Saints meet the St. Louis Cardinals at Shreveport, La.; the Philadelphia Eagles take on the Minnesota Vikings at Tulsa, Okla.; the San Diego Chargers tackle the Miami Dolphins at Miami, Fla., and the Houston Oilers tangle with the Oakland Raiders at Oakland, Calif.

The Cleveland Browns are at San Francisco and the Baltimore Colts of the NFL play the Boston Patriots of the AFL at Harvard Stadium in two Sunday games to round out the weekend card. On Monday night the Buffalo Bills of the AFL play the Detroit Lions of the NFL in Detroit.

SPORTS MEMORIES!

Highlights from the world of sports of a decade ago ... do you remember?

Second Week August 1957

• The Escanaba Bears dumped Portland 6-2, then blasted Grand Rapids 11-5 to remain unbeaten in the National Baseball Congress state baseball tournament. Wally Flath had 4 hits in 5 trips in the first game, while John Martineau went 3 for 5 in the second.

• John Baker pitched a neat one-hitter as Clairmont Transfer ousted DeGrand West End from the City softball tournament.

• Jim Almonroeder's 4 for 4 performance, and Pete Fregetto and Ron Gauthier smashing 3 for 4, moved the Escanaba Little Leaguers to the District title with a 16-3 win over Beaver Dam, Wis.

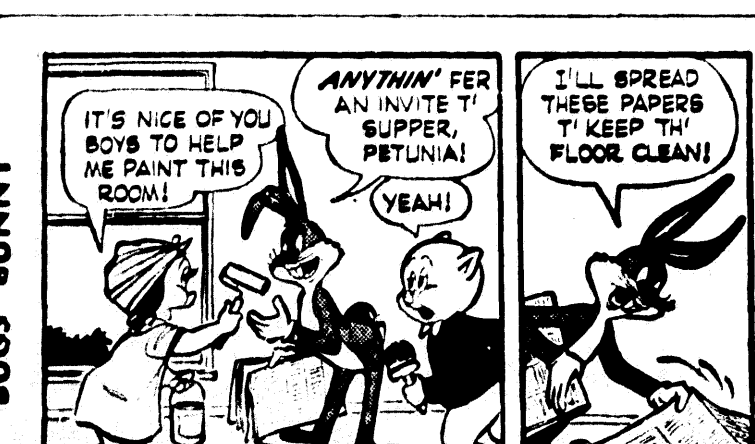

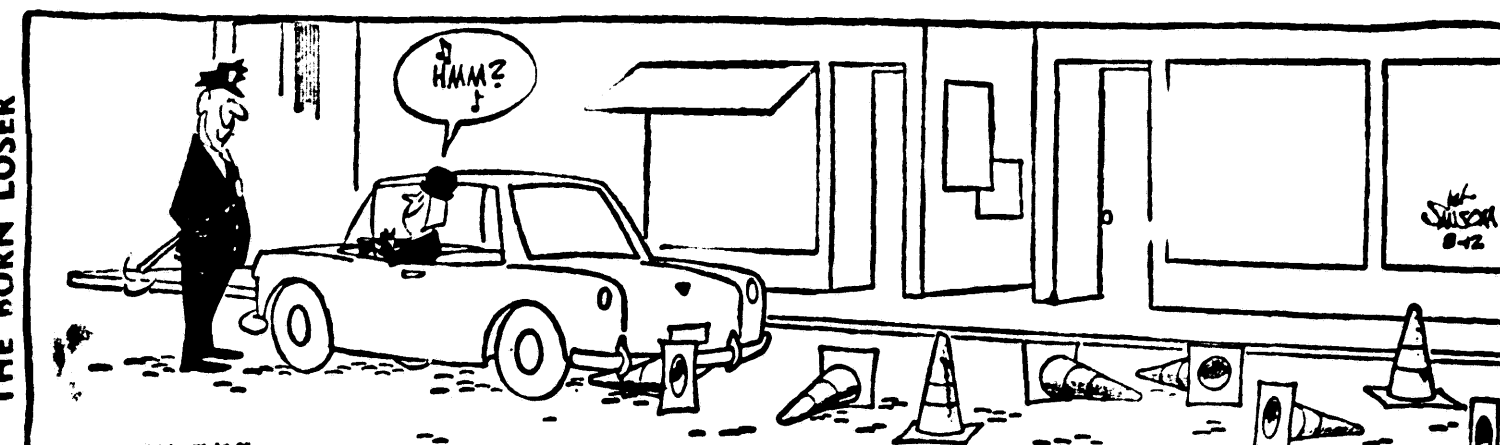

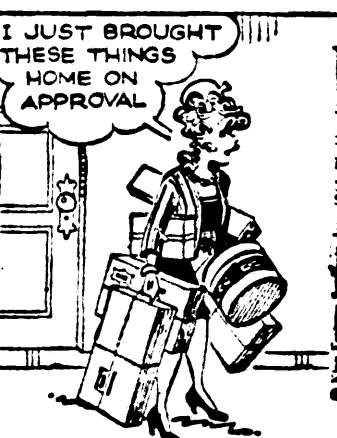

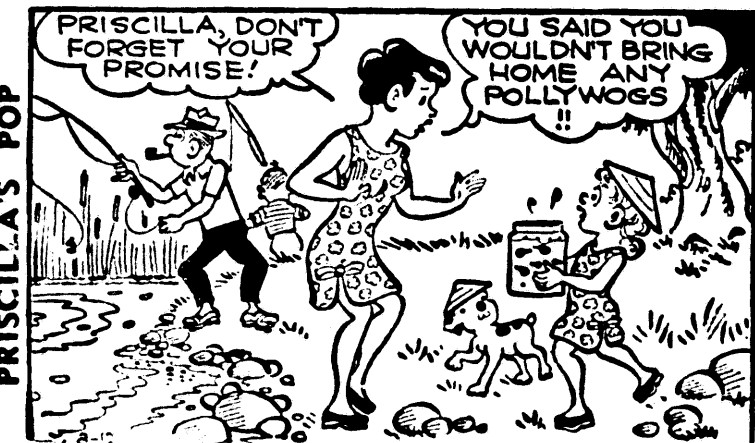

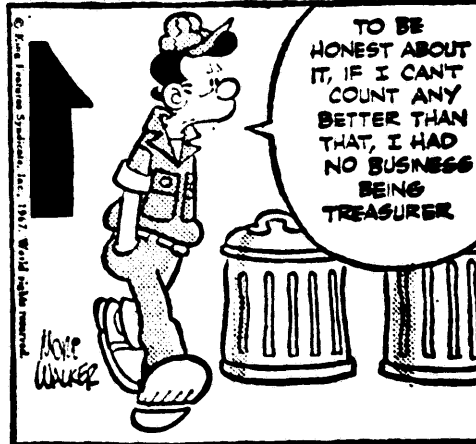

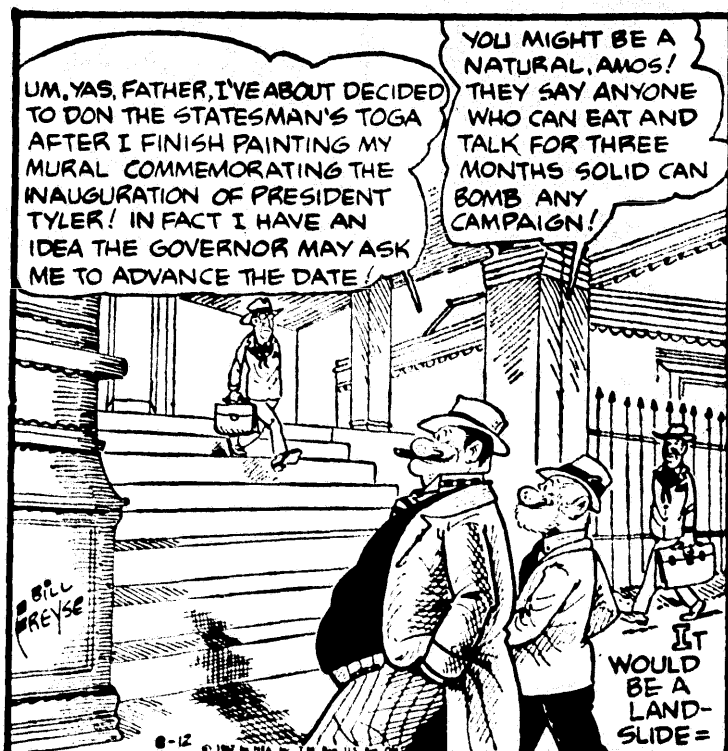

• Tony Case, veteran Escanaba Country Club golfer captured medalist honors in the 43rd annual U. P. Golf Assn. tournament held in Ashland, Wis. Other Escanaba golfers qualifying in the championship flight were Elmer Swanson, Bob Kolb, Ed Graville, Bill Perron Jr., and Wendell Green.

Seafarers Plan Strike Aug. 17

OTTAWA (AP) — Labor Department officials hold little hope of averting a shipping strike on the Great Lakes and east Coast tentatively set for next Thursday, a department spokesman said Friday.

Department officials have been talking informally with both sides but have been unable to break the stalemate over a union request for a 40-hour week.

The Seafarers' International Union of Canada (SIU) is conducting a strike vote among 5,500 sailors, who are expected to give overwhelming endorsement to the walkout.

A strike would tie up operations of all major shipping companies with the exception of Upper Lakes Ltd., a Toronto firm that holds a contract with another union.

In Montreal, the SIU said Friday that half the returns in the strike vote indicate 97.1 per cent of eligible SIU members support the strike.

State Man Faces Romanian Trial For Manslaughter

WASHINGTON (AP)—A Troy, Mich. man was reported to have been released from a Romanian jail pending a trial there later this month growing out of an auto accident.

A State Department spokesman reported this information had been received from the Romanian Foreign Ministry concerning George Disk, 47, Troy.

The Romanians said Disk's car struck a Romanian man and wife on a motorcycle July 27, killing the husband and injuring the woman. U.S. officials expect the Romanians will try Disk for manslaughter.

The State Department spokesman, press officer Robert J. McCloskey, said the U.S. Embassy at Bucharest had not known that Disk had been jailed until his sister, a Romanian citizen, told the U.S. mission.

Jung Reports \$12 Million Order For C&H Tubing

DEARBORN HEIGHTS, Mich. (AP) — A \$12 million contract for nuclear zirconium alloy tubing has been received by Calumet and Hecla, Inc. It was announced here. The tubing will be produced at the company's special metals plant in Dearborn Heights, said C.C. Jung, board chairman. The contract was received from the nuclear fuel division of Westinghouse Electric Corp., Jung said.

Baptists Meet At Calvin College

GRAND RAPIDS (AP)—The Seventh Day Baptist General Conference opens its 155th annual session at Calvin College Monday for a week-long series of worship services and business meetings. Dr. Lewis May, physician-layman from Temple City, Calif., is conference president.

Preliminary meetings opened this week at Battle Creek and in Barry County.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year — more than for all magazine advertising combined and more than 300 million more than radio advertising.

THE LITTLE WOMAN

MANISTIQUE

STUDENTS OF Manistique High School are preparing a fact brochure for the school millage election Aug. 28, in which five mills is asked for two years. They plan a parade Aug. 25 through the business district. The brochures will be distributed Aug. 21. On Aug. 28 they will be available for driving voters to the polls and babysitting for voters. Those assisting include, from left, Amy Olson, Joan Villeneuve, Kay Pike, president of the Student Council, Paul Demars and Michael Wood, and, standing, Susan Hanson and Mark Kelly. (LeBrasseur Photo)

Thompson Cohos In Good Shape

The coho salmon being caught in Thompson Creek are in excellent color and condition, the Conservation Department reports.

The fishing at Thompson Creek will be the subject of a Mort Neff Michigan outdoor program, prepared by Dick Black, who was scheduled to arrive Friday night for televising the coho fishing.

The Conservation Department fishing report:

Symbols of fishing conditions: (E) Excellent, (G) Good, (F) Fair.

Coho (Silver) Salmon: Alger County — Lake Superior off Grand Marais (F to G). These fish are caught by trolling with artificial lures. Schoolcraft County — Thompson Creek (G to E) fish range (10-14") Lake Michigan (F) Some fish are taken by trolling with spoons off Manistique Harbor Breakwater. Lake Trout — Alger County — Lake Superior (F to G). Best results are around Grand Island at Munising.

Rainbow trout: Chippewa County — Soo Rapids (F); Tahquamenon Bay (F) by trolling; Schoolcraft County — Clear Lake (F) by fishing at night with lanterns. Fish are running small.

Brook trout: Alger County — Stoner Creek (F); Sucker and W. Br. Sucker rivers (F) Chippewa County — E. Branch Tahquamenon River (F); Luce County — Little Two Hearted River, Upper Big Two Hearted River and Upper Tahquamenon River (F); Schoolcraft County — Fox River System (F), North Branch Stuts Creek (F).

Northern Pike: Chippewa County — Lake George (G) Munuscong Bay (F); St. Mary's River (F); Luce County: Blind Sucker Flowage (F) Tahquamenon River (F) Betsy Lake (F); Manistique Lake (F) Ernest West of Goshen, Indiana caught a 20 pound and a 21 pound northern last week. A 19 pound (42") pike was also reported. Mackinac County: Les Cheneaux Channels (F) Green Island-Straits of Mackinac (G) Brevort Lake, Millecoquin, Whitefish and Milakokia, Hay lakes (F). Schoolcraft County —

Women Hold Crier's Tourney At Golf Course

A Crier's Tournament was held Wednesday at the Indian Lake Golf and Country Club for the Ladies' League. Winners were: Mrs. Earl LeBrasseur, Mrs. C. Spawr, Mrs. B. Malloy, Mrs. N. Modders, and Mrs. T. Richards.

Two Drivers Are Ticketed

Two drivers were ticketed for violation of the basic speed law in accidents investigated by State Police.

Ralph Kennedy, 42, of Cooks, was given the summons following an accident at 2:50 a.m. Thursday in which his car went off County Road 442 and hit a tree. He received minor injuries.

Richard Mueller, 17, of Wells Fairbault, Minn., was ticketed after an accident at 11:45 a.m. Thursday on U.S. 2, a half mile east of County Road 442. His car hit a parked car owned by Francis Walters, 51, of Matoon, Ill. Officers said Mueller slowed for traffic ahead, but couldn't stop due to excessive speed. He sideswiped the parked car.

City Briefs

Ivan and Jarier Rodriguez Barroso, sons of Senor and Senora Jose Rodriguez, Bogota, Colombia, were guests last week of their uncle, Dr. A.B. Bernier of Escanaba and their cousins, Mr. and Mrs. John Schnurer who vacationed at Indian Lake. Their mother, Aminta Barroso Bernier de Rodriguez is Dr. Bernier's sister. The young men are touring Canada and will return to Bogota August 14 where they will continue studies at the University of Colombia.

Draft Boards Get Deferment Rules For College Men

LANSING (P)—The State Selective Service system has announced detailed instructions for new college deferment requirements, as sent to local draft boards.

Col. Arthur Holmes, state director of selective service, said the changes carry out provisions of the Military Selective Service Act which became effective in July.

Holmes said although requirements for undergraduate student deferments have been liberalized, those requesting such deferments no longer will be eligible for deferment as fathers.

They will be liable for induction later along with any age group called for induction by the secretary of defense.

Local boards have been instructed to defer undergraduate students as long as they are satisfactorily pursuing a full-time college program and are making proportionate progress toward their degree each academic year.

They may be deferred until they receive their bachelor's degree, cease to perform satisfactorily or attain the age of 24, whichever is the earlier.

Michigan Tech Hikes Fees By \$30 A Quarter

HOUGHTON (AP)—Michigan Tech Friday raised its tuition fees.

Costs went up \$30 per quarter for Michigan residents and \$70 per quarter for nonresidents.

Costs now for the normal three-quarter school year will be \$390 for state residents and \$610 for nonresidents.

The action was taken at a meeting of the school's board of control.

Michigan Tech President R.L. Smith said, "We had to face the hard facts and increase tuition."

He said most state-supported schools have had to hike tuition. He blamed increased enrollment and rising costs for the necessity.

General Tire Boosts Prices

AKRON, Ohio (AP)—The last member of the nation's big tire rubber producers has announced price increases on tires.

General Tire & Rubber Co. said Friday its tire prices will be increased an average of 5.1 per cent effective Monday.

The cost of passenger tires will be increased from 3.5 per cent to 9 per cent; truck tires, 5 per cent to 7.15 per cent; farm tires, 5 to 10 per cent, and pneumatic and solid industrial tires, 5 per cent.

The company said its increases were in line with those announced earlier by Firestone, Uniroyal, Goodyear and Goodyear.

Mongolia has an area of 638,000 square miles and a population of 1,619,000.

Card of Thanks

Stone

We take this means to extend our heartfelt thanks for the kindness and sympathy shown us by neighbors, relatives and friends in the death of Carl E. Stone. A special word of appreciation for the floral tributes and the memorial gifts. To Rev. James Swan for his words of comfort and the staff at St. Francis Hospital. Your kindness will always be held in grateful remembrance.

Carl E. Stone Family

In Memoriam

Jolly

In loving memory of Alfred J. Jolly, who passed away three years ago today, Aug. 12, 1964.

Do not ask me if I miss him. For there's such a vacant place.

Oh, I think I hear his foot steps.

Or I see his smiling face. For he left his broken hearted.

Friends may think the wound is healed. But they so little know the sorrow.

That is in my heart concealed.

Sadly Missed By His Wife and Daughter

Varnum For October Try At Toll Slash

Saying that the Michigan Legislature missed approval of a plan to reduce the Mackinac Bridge tolls by a half hour through Senate adjournment, Rep. Charles Varnum (R-Manistiquette) expressed hope Friday that the plan can be revived in the special October session of the Legislature.

The special session is being called to reform Michigan's lower court system, said Varnum, but there are pressures on Governor Romney to include Mackinac Bridge toll relief in the agenda. The governor is strongly in favor of such action, he said.

Varnum reported that just before adjournment the House had approved the Good Roads package of bills and that a House-Senate conference group had agreed on a 24-hour delay in the Legislature's adjournment to permit enactment, but that the Senate adjourned without action on the extension.

\$1.50 Toll Proposed
The adjournment caught the Good Roads package without approval and also the conference approval of a plan to take \$3.5 million from the top of the increased gasoline tax to permit cutting of the bridge toll on passenger cars from the present \$3.75 to \$1.50. Trucks would pay more.

Varnum said that the Mackinac Bridge was opened to traf-

Rep. Charles Varnum

fic 10 years ago at a cost of \$100 million and that since then \$57 million has been paid in interest on the debt, but \$98.6 million of the principle remains to be paid. The bridge bonds are being retired by the toll revenues and the state is also paying more than \$400,000 a year from highway funds for maintenance of the bridge.

The bridge tolls are a serious impediment to the Upper Peninsula development, says Varnum. "In June I noticed that the motels were filled all the way to the bridge in the Lower Peninsula, but not across the bridge. Numerous people say to me when I ask them when they're going to visit the U. P.: 'We're coming to the U. P. when you get the tolls off the bridge!'"

Island Trade Off

Varnum said that the hope of creating small industries in the Upper Peninsula which would market their products in the Lower Peninsula is idle while the tolls stay at their present level. "The \$5,000 a year that a small manufacturer could pay in bridge tolls could be his margin of profit."

Varnum said that in a visit to Mackinac Island this week he was told that visitation which usually averages 8,000 persons a day at the peak of the summer tourist trade is down to 3,000 this year and that travel to Expo '67 at Montreal is the reason.

"I hope the Governor will include the Good Roads package in his agenda for the October session," said Varnum. "It

would bring money for road building at the local level to Delta and the other U.P. counties and reduce the tolls on the bridge."

Fishing Problem

Varnum said that first meeting of the special committee created by the Legislature on his motion to study the plight of commercial fishing in the Great Lakes will be held in September. The members are Rep. Dominic Jacobetti (D-Negaunee), George F. Montgomery (D-Detroit), Robert Davis (R-St. Ignace) and Varnum.

"We want an in-depth study of lakes fishing," said Varnum "to find out what the problems are and where the Conservation Department is going in its fish program. Then we'll make a recommendation to the Legislature, probably in the fall of 1968. The committee goes to December, 1968. The Conservation Department has authority to put into effect the commercial fishing regulations it's now considering, but the Legislature would like a look at the whole problem."

Mrs. Vachon Dies In Milwaukee After Illness

Mrs. Jeffery E. Vachon, 59, died this morning at 5 in St. Mary's Hospital, Milwaukee, after a short illness.

Mrs. Vachon was the former Rhea M. Gauthier of Schaffer. Surviving are her husband, Jeffrey E. Vachon, two daughters and three sons, Mrs. Robert (Rita) Srehse of Garden City, Mich.; Yvonne, at home; Donald R. Ronald J. and Philip H., all of Milwaukee. Also surviving are one brother, Paul Gauthier of Schaffer, and two sisters, Mrs. James (Medora) O'Donnell of St. Petersburg, Fla., and Mrs. Patrick (Laura) Carey, Crescent City, Calif., and several nieces and nephews.

Friends may call at the Becker Funeral Home in Milwaukee after 2 p.m. on Tuesday and funeral services will be held at St. Thomas Aquinas Church at 10 a.m. Wednesday. Burial will be in Holy Cross Cemetery, Milwaukee.

Bay College Sets Special Periods For Registration

Bay de Noc Community College today announced that special registration periods will be held for part-time students from Delta County for fall classes.

In addition to the regularly scheduled classes, over 20 evening and special classes have been scheduled in such a way as to provide opportunities for interested persons in the community. These include classes in business, art, speech, French, mathematics, conservation, technology and the social sciences.

The College Board directed that registration of part-time students — employed persons, housewives, etc. — will be allowed an opportunity to register before the out-of-county students and those who have applied late in the summer. Registration for these people will be held from 4-6 p.m. on Friday, Aug. 25 and on Saturday, Aug. 26.

New students who have completed applications and have been assigned classes by the counselor will complete their registration during the day on Friday. Returning full-time students will register during the day on Thursday, Aug. 24. Classes will begin Aug. 28 and will be completed on Dec. 23.

A full set of all courses scheduled, including community service and special classes, is available at the College and at the public libraries in Gladstone and Escanaba.

Alger-Marquette ASCS Vote Set

The Alger-Marquette ASCS election date is Sept. 21. Communities for Alger County are: (1) Autrain-Burt-Munising (2) Rock River - Onota (3) Mathias (4) Limestone. Communities for Marquette are: (1) Ewing-Wells (2) Champion-Humboldt-Republic (3) Marquette-Chocoma-Powell - Sands - Powell-Sands-Michigamme (4) Ely-Ishpeming-Tilden - Negaunee-Richmond (5) Turin-Forsyth-West Branch-Skandia. A slate of nominees will be selected by the present community committee and the county committee may add additional nominees. Others may be added by petition.

Copper Strike Hurting Supply

WASHINGTON (AP) — Administrative sources say the month old copper strike has not reached the stage of a national emergency yet.

But they declined to predict when or if the President will invoke the Taft Hartley law to order the men back to work.

The last time that happened in the copper industry was in 1951. The Korean war was going on. Copper is an important ingredient of ammunition and bombs for the current war in Vietnam. It is also widely used in automobiles, electronics and construction, both military and civilian.

There is about 259,000 tons in the government stock pile now. That is down from the stock pile objective of 775,000 tons.

A government source says 94 per cent of the nation's smelter capacity has been shut off by the strike, labor contracts expiring Sept. 1 may push that figure to 98 per cent.

This week the Commerce Department granted special export licenses to companies which have not been struck so they can send some of their copper concentrates outside the United States for refining.

Administration sources say that although there is no national emergency yet, some of the mine and smelter areas are being severely hurt through loss of wages for some 42,000 workers.

The Federal Mediation and Conciliation Service is taking part in negotiations between the major copper producers and the unions. The United Steel Workers of America represents most of the employees.

Course Offered Dairy Manager

Young men interested in becoming a dairy farm manager or herdsman will have an opportunity for training under the Manpower Training Act. Starting Sept. 15, Michigan State University in cooperation with the Michigan Employment Security Commission will offer a 32 week training program.

Candidates should be 18 years old. A farm background is preferred but not necessary. High school graduates are preferred but not required.

"We will be glad to counsel with anyone interested to de-

Cave-In Hampers Rescue Of Boy Trapped In Well

LENORE, W.Va. (AP) — A second cave-in shortly before 6 a.m. buried 15-year-old Leonard Boyce up to his chest again just as rescue workers about freed him from a 13-hour entrapment in a well.

After rushing in heavy earth moving equipment, workers dug a deep trench and had Boyce free except for one leg and a foot when the second cave-in occurred.

Sheriff Steve Adkins, among some 40 workers who have toiled through the night to rescue the boy, said "it looks like another four hours at this point."

Workers had to progress slowly in clearing rocks and dirt from around the youth because of the danger of more falling rock. A temporary wooden hood was constructed over his head to protect him from rocks.

Near Exhaustion
Authorities also sent for a physician because they said the boy was nearing the point of exhaustion. He kept pleading from his entrapment 14 feet underground: "Tell them don't stop."

Boice, of nearby Parsley's Bottom, a small mountain community near this southwestern West Virginia community, was fed hot chocolate through a rubber tube as the lad shivered through the night.

He was trapped while trying to inspect the well for cleaning. It is in the sloping front yard of a house owned by Willard Howell.

Reach Boy's Head
Workers reached Boyce today by digging a trench alongside the well's casing. But more rock began falling on the boy after a small hole was dug through the side of the well for rescuers to reach his head.

Operations then were halted because of fears that the youth would be crushed by stone.

"He's holding up better than most persons would," said Elmer Newsome, a school teacher helping with rescue efforts.

termine if he should pursue this type of employment," said J. L. Heirman, Delta County Agricultural Agent.

Last Day For X-Ray Monday

The Michigan Health Department mobile chest x-ray unit and diabetes screening team will be at the Delta County Building on Monday for the last time this year, announces Dr. Mary L. Cretens, director of the Delta Menominee Health Department.

The free services are available to the public for the detection of tuberculosis and chest abnormalities and diabetes from 9 to 12 and from 1 to 5 on Monday.

On Tuesday the unit moves to Powers-Spalding to spend the day there in starting a Menominee County tour.

Obituary

MRS. LISA AHOLA

Funeral services were held yesterday at 1 p.m. for Mrs. Lisa Ahola at the Faith Lutheran Church in Rock. Rev. Peter Laaninen officiated. Pallbearers were Gerald Salmi, Gilbert and Edsel Wailmaa, James Larson, Elmer Lepisto and Ivar Mattila. Burial was in the Rock Cemetery.

St. Charles Of Rapid River Bazaar Sunday

The Altar Society of St. Charles Borromeo Church in Rapid River will sponsor a summer bazaar with a smorgasbord Sunday. The smorgasbord, featuring turkey and ham, will be served from noon to 3 in the Rapid River Parish Hall.

Attractions will include booths of fancy work, homemade candies, a fish pond and white elephant sale. Refreshments will be served on the grounds and chairman for the event is Mrs. Everett Johnston, assisted by Mrs. Ed Lamberg.
